Pyrotek India Pvt. Ltd.

EC Directive 89/686/EEC

EC Type-examination

Issue 1

PPE Product

Pyrotek Firefighting Suit consisting of Jacket (Pyrotek Art No. 1879139) and Trousers/pant (Pyrotek Art No. 1879138).

These garments have the following four layer construction: Meta aramid fabric outer layer, Moisture barrier layer, Meta aramid felt thermal barrier layer and Meta aramid fabric lining.

The jacket has a band of reflective tape encircling: the chest, both forearms and the lower torso at hip level. The bib & brace style trousers have a band of reflective tape encircling each leg at shin level.

The garments are available in six nominal sizes (S to 3XL).

It is certified that the manufacturer's technical file and the above mentioned PPE have been assessed and found to be in accordance with the requirements of Council Directive 89/686/EEC. When examined the PPE satisfied the requirements in the relevant harmonized standard:

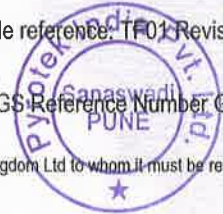

EN 469:2005 + A1:2006 Protective clothing for firefighters with a performance classification of: Xf2, Xr2, Y2, Z2.

The manufacturer's information notice (in Annex D Revision no. 1), in English, has been inspected and found to have addressed all of the relevant requirements of the standard. However, the detailed content of the information notice is the responsibility of the manufacturer, as are translations into other languages.

This certificate is issued on the strict condition that appropriate checks on manufactured PPE, as detailed in Article 11 of the Directive are implemented and maintained while the model is in production.

Certification is based on technical file reference: TF01 Revision R-1 dated 17.08.2016

SGS Reference Number GB/PP 234960
